Old Business-

BTI- Ms. Vanselow offered the Town a counter-proposal for a scaled down treatment program. The program would cost \$13,200.00 and Ms. Vanselow would be willing to wait until Feb. 2010 for the bulk of the amount. Councilman Olson said he is against scheduling payment in 2010 and we do not have the money needed in this year's budget. Councilman Olson said he is in favor of a BTI Program if it is done correctly. Councilman Dooris suggested looking into other applicators. Councilman Olson said he did not think a great deal would be lost if we skip a year. He is in favor of letting it go for this year and not look for anyone else because of the mis-understanding with the 3 year contract. Councilman Olson does feel we owe Ms. Vanselow \$200.00 to make up for the lesser amount we paid for the 2008 season, the Board agreed.

RESOLUTION NO. 141 OF 2008

Messrs. Olson & Dooris introduced Res. 141 and moved its adoption:

RESOLUTION TO AUTHORIZE PAYMENT TO BIOCONSERVATION

RESOLVED, that the Town Board does hereby authorize a final payment of \$200.00 to Bioconservation to complete the one year contract for black fly treatment in 2008.
